Renovation: In progress

The property consists of 5 apartments which are all located on the 3rd floor and are currently under renovation.

There are 3 studios, one apartment with one bedroom and living room, and one apartment with two bedrooms and living room.

They all have natural light and share a laundry room on the same floor.

The building provides facilities such as a doorman, who is present on weekdays from morning to noon, and a renovated elevator.

Thanks to a recent legal change in the use of the building, mixed use of the property is now allowed, and renovating its spaces into apartments is thus enabled.

The apartments are sold individually and are perfect either for short-stay use or for renting by students, as the area hosts numerous educational institutions, both public and private.

The property is only 300m from Karaiskaki Square and 500m from the Omonia Square. The metro station “Metaxourgeio” is only 6’ away on foot and equally is the the Metro Station “Omonia”.

BRIEF HISTORY OF FINDERS AND WHAT IS THE VISION & THE MISSION

Established in Greece in 2014, Finders has been at the forefront of the country's real estate market, with three branches located in Israel, Athens, and Crete. As one of the pioneers in the industry, Finders has successfully managed five private equity funds, investing in high-quality properties with a focus on commercial and residential buildings, tourist destinations, and accommodation.

The company's core expertise lies in acquiring, redeveloping, and remarketing investment properties, primarily in Athens since its inception. However, as of 2022, Finders has expanded its scope by co-investing in the reconstruction of targeted buildings within its portfolio to convert them into service apartment hotels. With extensive experience in managing thousands of square meters of property in Athens and Crete, as well as a deep understanding of the diverse range of properties available, Finders is confident in its ability to deliver an exceptional visitor experience while serving as a reliable

resource for prospective real estate investors in Greece. Finders has established a network of partnerships with various leading entities in Greece, including architects, real estate agents, appraisers, insurance agents, contractors, and others. These partnerships enable the company to offer a comprehensive and accessible professional service package. As a result of its excellent reputation, strong track record, and field performance, Finders has built strong trust ties with local players in the industry, allowing it to access a vast market of investment opportunities. The company receives advance information on properties, including those soon to be auctioned by local banks in Greece. Finders also has established strong relationships with financing bodies, central banks, and government entities operating in the Greek real estate market. Additionally, the company manages 12 Greek companies (S.A.) that oversee complex projects and properties across various regions under its leadership.
