9 THEATROU ST,  
ATHENS HISTORIC TRIANGLE 

# HIGHLIGHTS

The property at a glance

Asking selling price: 2.550.000€

Total sqm: 94

Price/sqm: 2.696€

Plot area sqm: 237

Number of units after reconstruction (optional): 24

Construction year: 1992

Nestled within Athens' historical triangle, this four-story building enjoys a prime location in the city's vibrant commercial heart.

Steps from iconic landmarks and key attractions, the building features three elegant facades and a charming loft on the fourth floor. With the potential to be transformed into a boutique apartment hotel.

The building has two elevators, and it used to be a bank, that is why the basement has a safe area.

The property is situated near Syntagma, Monastiraki, and Omonia, the pivotal squares of Athens' historical triangle.

The area is undergoing significant enhancements, including a major renovation of Theater Square, led by the municipality of Athens.

This project aims to elevate the square's cultural significance, improve pedestrian access, and foster a secure, vibrant environment.

With plans to make the surrounding area pedestrian-friendly, this location will further cement its status as a focal point of modern Athens, blending historical charm with contemporary vibrancy. The building's impeccable condition and strategic location make it an ideal investment for hospitality or residential purposes.

The property can be converted into a boutique apartment hotel with 24 units.

There is a permit construction right to build 2 more floors.

# MAP & STREET VIEW

# ABOUT THE AREA

This small but emblematic square, located in the center of the capital, behind the city hall of Athens, Theater Square, changes its appearance. The municipality of Athens plans the renovation of the square. This project achieves the aesthetic and environmental upgrade of the space, the promotion of the cultural elements of the area, the efficiency and accessibility of the public space to pedestrians, the creation of those functional conditions that will favor the strengthening of residential use in the area and sense of security of residents and passers-by 24 hours a day. This renovations will acquire the square to be modernized and to be become part of the route of Omonia again.

# BRIEF HISTORY OF FINDERS AND WHAT IS THE VISION & THE MISSION

Established in Greece in 2014, Finders has been at the forefront of the country's real estate market, with three branches located in Israel, Athens, and Crete. As one of the pioneers in the industry, Finders has successfully managed five private equity funds, investing in high-quality properties with a focus on commercial and residential buildings, tourist destinations, and accommodation.

The company's core expertise lies in acquiring, redeveloping, and remarketing investment properties, primarily in Athens since its inception. However, as of 2022, Finders has expanded its scope by co-investing in the reconstruction of targeted buildings within its portfolio to convert them into service apartment hotels. With extensive experience in managing thousands of square meters of property in Athens and Crete, as well as a deep understanding of the diverse range of properties available, Finders is confident in its ability to deliver an exceptional visitor experience while serving as a reliable

resource for prospective real estate investors in Greece. Finders has established a network of partnerships with various leading entities in Greece, including architects, real estate agents, appraisers, insurance agents, contractors, and others. These partnerships enable the company to offer a comprehensive and accessible professional service package. As a result of its excellent reputation, strong track record, and field performance, Finders has built strong trust ties with local players in the industry, allowing it to access a vast market of investment opportunities. The company receives advance information on properties, including those soon to be auctioned by local banks in Greece. Finders also has established strong relationships with financing bodies, central banks, and government entities operating in the Greek real estate market. Additionally, the company manages 12 Greek companies (S.A.) that oversee complex projects and properties across various regions under its leadership.

This document includes forward looking statements with respect to Finders plans and its current goals and expectations. Please note that all data, numbers and plans are for estimation forecast purposes only. The document was prepared for the sole purpose of providing information to assist a limited number of potential investors in assessing the projects that are in the matter. Recipients who accepts this presentation undertake to keep confidential all the information therein. It shall not be photocopied, duplicated, or distributed to a third party without the written consent of FINDERS management. Any forward-looking statements made throughout this document represent management's best judgement as to what may occur in the future. However, their nature, forward looking statements involve known and unknown risks and uncertainties because they relate to future events and circumstances which may be beyond the Group's control, as a result, the Group's actual financial condition, performance and results for the current and future fiscals' period and corporate developments may differ materially from those expressed or implied by the plans, goals and expectations set forth in any forward-looking statements.
